

### REMARKS

This is a full and timely response to the final Office Action of February 16, 2005.

Reexamination, reconsideration, and allowance of the application and all presently pending claims are respectfully requested.

Upon entry of this Second Response, claims 1-48 and 57 are pending in this application and have been allowed. Claims 58-64 are canceled without prejudice or disclaimer. It is believed that the foregoing amendments add no new matter to the present application.

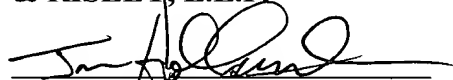

The cancellation of claims 58-64 serves to reduce the number of disputed issues and to facilitate early allowance and issuance of other claims in the present application. Applicants reserve the right to pursue the subject matter of canceled claims 58-64 in a continuing application, if Applicants so choose. Moreover, Applicants submit that the cancellation of claims 58-64 moots all outstanding objections and rejections, and the instant application is presently in a condition for allowance.

Accordingly, Applicants respectfully request that all outstanding objections and rejections be withdrawn and that this application and all presently pending claims be allowed to issue. If the Examiner has any questions or comments regarding Applicants' response, the Examiner is encouraged to telephone Applicants' undersigned counsel.

Respectfully submitted,

**THOMAS, KAYDEN, HORSTEMEYER  
& RISLEY, L.L.P.**
